

Light Up a Life

Book of Remembrance

2024

Thank you for your support

Thank you for dedicating a light in memory of your loved one(s), giving them a special place on our beautiful tree whilst also supporting future patients and their families when they need our care the most.

Your support for our Light Up a Life service means so much to Dr Kershaw's Hospice. This year, we received 1,146 dedications, honoring those who are no longer with us but who live on in our hearts and memories.

We are deeply grateful to be able to join you in remembering your loved ones, and we thank each of you for being a part of our meaningful service.

Our Book of Remembrance keeps your dedications private, but includes your loved one's surname in alphabetical order. Our Book of Remembrance is also available to view online at **www.drkh.org.uk/LightUpaLife**
